FUN WITH A FRIEND

BLACK HOLE

Find a friend and take turns, each of you writing the number *1* in a circle in your own color. Continue taking turns writing numbers all the way up to 10. One empty circle will be left, and that is the "black hole!" Cross out all the circles that touch the black hole. Then each player will add up your remaining numbers. The player with the highest sum wins!

THIS MONTH'S TRUTH: I Am Forgiven

TODAY'S MAIN IDEA: God Can Give Me Grace

TODAY'S BIBLE STORY: The Forgiving God (Psalm 103)

TALK ABOUT IT: God gives *grace*, which is His undeserved love. We do not have to earn or deserve God's forgiveness because He gives it freely and never gives up on us. How can God's grace help when you make a wrong choice?

As far as the east is from the west, so far has he removed our transgressions from us.

Psalm 103:12

WE DON'T EARN OR DESERVE GOD'S FORGIVENESS, BUT HE GIVES IT TO US FREELY BECAUSE GOD CAN GIVE US GRACE!
